FRIDAY, OCTOBER 9!**

MASTER YOUR MARKETS IN MINNEAPOLIS

Known as The Best Show in Public Works, APWA is the perfect opportunity to raise your public works profile. It is the only annual event covering every aspect of public works and attracts professionals from all over the country.

Secure your space now to take advantage of discounted booth pricing, complimentary company profiles, exclusive advertising and sponsorship opportunities, and free exhibit passes for your customers and VIPs!

The city of Minneapolis has been making environmentally sustainable practices a priority with the Minneapolis Downtown Improvement District and its Annual Greening and Public Realm Awards. Intended to inspire all to work towards making downtown a greener and more vibrant place, Minneapolis serves as an ideal host for the public works industry's premier international event of 2016.

BE THE BEST AT APWA

Continuing its tradition to recognize and honor exhibitors excelling in the creation of inspiring, innovative, sensory and experiential exhibits, APWA invites you to join these elite exhibitors for the chance to win Best Booth and Best New Product of 2016!

2014 WINNERS

Best Single Booth & Best in Show:
Sycamore USA, Inc.

Best Medium Booth:
Precision Concrete Cutting

Best Large Booth:
EJ

Best New Product Winner:
Morbark, Inc.'s ChipSafe™ Operator Safety Shield

EXCLUSIVE EXHIBIT FLOOR FEATURES

Enhance your company visibility beyond the booth in Minneapolis with exclusive exposure opportunities designed to double your booth traffic and take your event ROI higher.

New Product Showcase

Showcase your company's newest products to hit the market with this unique opportunity. BE a part of the New Product Showcase and even get a chance to win the Best New Product of 2016!

There's an App for That!

Have an App/Technology Solution you'd like to present? Only 12 exhibiting companies will be chosen to present information on smartphone technology applicable to public works. These educational sessions are unique opportunities for you to directly reach public works attendees.

Exhibitor Solutions Theater Presentations

Only 24 exhibiting companies will be chosen to present sessions uniquely designed to give attendees cutting-edge solutions and information on products or services addressing the needs of the public works industry. Attendees can even earn CEUs for attending Exhibitor Solutions Theater presentations!

Sustainability Pavilion

Located right on the show floor, the Sustainability Pavilion features the latest sustainability products and services in public works. Sign up to be a part of a part of this growing industry trend.
